In the fall of 2005 the Friends published “Jewels On The Water”, the first book celebrating the majesty of the Apostle Islands. The book is currently available at book stores and outlets locally and throughout the Midwest.

The Board of Directors in February formalized its first annual membership program with the introduction of the “VOLUNTARY PASSPORT”. The passport decal is designed to be displayed on the member’s boat, car or other appropriate places. The Friends are using the Passports as a visual means whereby our members can demonstrate their support for the Park and at the same time help with funding. Each membership of \$30.00 or more will receive a “Voluntary Passport” decal.

Projects Completed or Committed To - almost \$50,000
